Secy. to Govt., P. W. Dept.

GEOLOGICAL.

No. 333-*S., dated* 27*th November* 1901.

The following draft of a Notification, which the Government propose to issue under Section 38, proviso 1, of the Mysore Land Revenue Code, defining the ordinary minerals, which shall be exempt from the scope of Section 38 of the Code, is hereby published for general information and will be taken into consideration after a period of six weeks from the date of this Notification.

2. Any suggestions or objections in respect of the list of minerals now proposed to be classed as ordinary will be duly considered by Government, if submitted to Secretary, Geological Department, within the period prescribed above.

(DRAFT.)

No. *Dated*

Under Section 38, proviso (1), of the Mysore Land Revenue Code, the Government of Mysore are pleased to direct that the following minerals shall be considered as ordinary minerals which shall be exempt from the scope of Section 38, *viz.*—

1. Granite.
2. Trap.
3. Limestone and Kankar.
4. Sandstone.
5. Slate.
6. Quartz.
7. Laterite, and
8. Brick earth.

2. Under the said section the Government may, from time to time, alter the list of ordinary minerals herein prescribed.

By Order,
W. F. SMEETH,
Secy. to Govt., Geological Dept.
